

## Material Safety Data Sheet: Priorclave Deodorizing Capsules

### I. IDENTIFICATION

Product Name:	SUB 4889
Chemical Name:	Not applicable
Chemical Family:	Not applicable
Synonyms:	None
Formula:	Not applicable
Molecular WT:	Not applicable
Chemical Abstract Registry Name:	Not applicable
Description:	Fragrance raw material ( ) Fragrance mixture (X)

### II. PHYSICAL DATA

Specific gravity at 20/20°C (H2O -1):	≥ 0.9280
Vapor pressure (in Hg at 20deg C):	Not determined
Flash point:	74°C by TCC (x)
Appearance and odor:	Lemon Yellow Liquid
Solubility in water:	Not determined
Refractive index (at 20 deg C):	≥ 1.4780
Boiling point:	Not determined

### III. HAZARDOUS INGREDIENTS

The formulation of this mixture is a trade secret. Certain of the ingredients included may be classified as health hazards, the effects of which would be presumed to be mitigated in the mixture.

None of the components are listed as a carcinogen by NTP, found to be a carcinogen by IARC, or regulated as a carcinogen by OSHA.
